PALMA WEEKLY HOMEWORK COMPLETION CHART

Use this form to track your homework completion performance by subject each day. List the amount of time you spent on each subject and whether or not you satisfactorily completed all required homework. If you did not complete all your homework in a given subject, indicate what percent of the work you did accomplish. At the end of the week, review this form to identify any trends that need improvement. If you met your goals, *REWARD YOURSELFD!*
